III. Read Executive Engineer's letter No. 269, dated the 5th November 1910, forwarding a statement showing the works proposed to be carried out during the current year by finding funds therefor, and also for certain non-budgetted works included therein by a redistribution of the sanctioned grants under A. Public Works in the current year's budget; and

2. Government Proceedings No. 5146-8—L. B. 172-10-4, dated 13th December 1910, sanctioning the proposal contained in the Executive Engineer's letter quoted above subject to obtaining the District Board's approval therefor.

Resolution.—Approved.

IV. Read Executive Engineer's letter No. 310, dated 19th December 1910, forwarding for countersignature a special estimate for Rs. 330 for repairing the 3rd class travellers' bungalow at Nittur and requesting that funds required therefor may be allotted.

Resolution.—The bungalow has to be made fit for His Highness' residence during his tour in this district in January next. The estimate may be sanctioned and the sum of Rs. 330 required for repairing the bungalow may be met out of the provision in the current year's District Fund budget under B. Public Works.

V. Read Executive Engineer's letter No. 306, dated 9—12th December 1910, forwarding for countersignature two estimates one for repairing and another for flooring the 3rd class travellers' bungalow at Maddagiri for a total sum of Rs. 526 and stating that the work has been ordered to be put in hand and completed before His Highness' visit to Maddagiri pending countersignature to the estimates.

Resolution.—The estimates may be sanctioned and the funds required for the works may be met by reappropriation out of the provision in the current year's District Fund budget under B. Public Works.

VI. *Resolution.*—In the current year's District Fund budget there are no funds available under A. Public Works for making fit for His Highness the Maharaja's tour through the district, the 3rd class travellers' bungalows and District Fund roads. It is estimated that a sum of Rs. 3,900 would be required towards the repairs of the travellers' bungalows and the roads. In these circumstances, it is resolved that Government be requested to kindly sanction the re-appropriation of a sum of Rs. 2,000 out of the provision in the current year's District Fund budget under B. Public Works and also to the reappropriation of a further sum of Rs. 900 from the allotment of Rs. 2,000 sanctioned for this district in the current year's Local Fund General budget. As these reappropriations are not sufficient to make up the total estimated amount now required for expenditure, the Board request that Government may be pleased to sanction a sum of Rs. 1,000 from the Local Fund General.

VII. Read and passed the list of estimates for works received for countersignature from the Executive Engineer, Tumkur Division.

VIII. Read Pavagada Amildar's No. 105, dated 20th October 1910, soliciting sanction to the execution of a non-budgetted work, *viz.*, sinking and revetting the well at Kurubarahalli, a hamlet attached to Nalliganahalli at an estimated cost of Rs. 288.

Resolution.—This work may be postponed for the next year as proposed by the Maddagiri Sub-Divisional Officer.

IX. Read Kunigal Amildar's report No 160, dated 12th October 1910, soliciting sanction for payment of Rs. 161 towards the well work at Amritur out of the amount of Rs. 400 provided in the current year's budget for repairing the cart-track leading to Nagasandra *via* Nademavinpura.

Resolved that the proposal be sanctioned as the well work is reported to have been completed.

X. Read Pavagada Taluk Amildar's report No. 184, dated 5th February 1910, recommending that an Amrut Mahal breeding bull may be supplied to Channakesavapur Srinivasa Rao, at half price, the other half being met out of the District Funds.
